Jim and Muriel Sitton
Jupiter, FL

Dear Jim and Muriel,

I was deeply saddened to hear of the tragic event that took the life of your daughter, Makayla. The strength you've shown during this period has been truly inspirational.

We've been fortunate to include you in our b-roll.net "family" for many years. Your support and participation have meant a lot to our community.

As a small gesture, we have collected \$425 and are sending it to the Jupiter Academy of Music, in hopes that Makayla's love of music can be shared with other children. The following "b-rollers" helped by donating to the Academy:
